Compliments were extended to Rick for all of his hard work.

Upon motion by Dave, the policy change was approved. Bill Szabo noted he felt the last item for the policy change was rather harsh. Upon motion by Rick it was agreed the policy may be amended and fine-tuned at the December meeting.

Deb reported on her attendance at the Federation of Lakes meeting.

Dave reported on a meeting with the DEC regarding permit applicants. It was noted the proposed change by the DEC has been rescinded and the process will continue as usual.

Bob Weed noted that James Kay's boat was used when searching for a drowning victim on the lake. Upon motion by Gene approval was given for a letter to be sent to Mr. Kay thanking him for the use of his boat. Rick abstained from voting.

Deb noted she discovered that the RLRD does have the authority to enforce rules.

Discussed putting an article in a newsletter concerning voting rights. Noted the idea of a fine was to get the attention of repeat violators. Noted a trespass can be a fine or jail.

Rick noted the zoning board wants an opinion from the RLRD regarding the proposal of a restaurant on Rush Creek Road, by Hutton's Bay. Upon motion by Gene, it was agreed that because of pending litigation no opinion should be offered. Deb abstained from the vote.

Deb noted she and some others would like to see a "welcome back to the lake" day at the park near the dam. Others noted the Landowner Association is for that kind of activity. It was further noted that District funds cannot be expended for this.
